

International Baccalaureate Music
World Music Research Group Project

Each team will be responsible for the following project:

1. Research the music of the region or country that is given to your team – We will spin the globe!
2. Provide a recording of at least one selection of music from that region
3. Provide a handout for each student in class with the appropriate summary of the following:
 - a. Cultural history of people
 - b. Music and its role in the culture
 - c. Indigenous instruments or techniques used
 - d. Any other important facts in the music and society
 - e. General characteristics found in this culture's music
4. Provide a power point presentation of the culture and music.
5. Prepare a Quiz for the class over the material covered in your research.
